

SEX IS JUST 10 PERCENT IN THE SCHOOL OF MARRIAGE

Sex is just 10 percent in the school of marriage. This is however contrary to a lot of people's thought. They have been made to believe that marriage is all about sex, sex, sex. No wonder they enter marriage and still flirt. They have extra-marital affairs, not because they like it but because they have a wrong understanding of sex in their minds.

Sex is the bone of marriage but not the heart of it. The heart of marriage is in three fold of which sex is not included.

Please hear me SEX is good but it will not truly satisfy you until these three entities are in place. They include, LOVE, UNDERSTANDING AND COMPATIBILITY.

Ask the married, they will tell you the truth if they are sincere, after they got married they finally discovered that there is something else required to keep marriage going. If you ask any man or woman that cheats on his or her spouse, you will also discover that they do so because the sex pattern get a little bit boring so they needed to explore.

In as much as the devil is to be blamed but your mindset carries more blame, do not believe that sex is all that marriage has to offer I will now compare sex with the other three-fold entity of marriage.

In comparison

1. Sex is 10 percent of marriage. Love is 50 percent of marriage. Understanding is 20 percent of marriage. Compatibility is 20 percent of marriage. Love is much more because without love you cannot seek to understand your spouse, without love you can't enjoy true sex in marriage even till you grow old. Prostitutes do not enjoy sex because they don't know who they are meeting not to mention understanding and compatibility. Sex is oneness, it's not a lusty pleasure it's a lovely passion. It involves your body spirit and soul. That is why God ordained it only for the married. Compatibility is only possible with understanding which is possible through love. So to marry for sex alone is to marry for a short time if sex was the only point marrying. Divorce results from lack of understanding and compatibility.
2. Sex may attempt to settle and issue in marriage temporarily but understanding settles it permanently. When couples quarrel, they should have sex to prove that they have settled, couples do it a lot. It's good and wonderful but it is only temporal. Understanding settles it permanently. Seek to understand your spouse for who they are.
3. Sex is good, but sex plus love plus understanding plus compatibility is better, so make your choice.
4. When your spouse sleeps outside for want of sex it is bad, but when she sleeps outside for want of love it is worse. Love your wife.

Finally let us see Gods prescription

Ephesians 5 vs. 25

Husbands, love your wives, even as Christ also loved the church, and gave himself for it

Colossians 3 vs. 18

Wives, submit yourselves unto your own husbands, as it is fit in the Lord

Husbands love your wife the way Christ loves the church, be prepared to die for her and she will never leave you. She will understand you and submit herself to you. Be blessed in Jesus Name.
